Hair Specifications & Customization Standards

Comprehensive guide to hair textures, lengths, densities, and base materials

Quality Standards

1. Standard & Custom Textures

Silky Straight: Sleek, smooth, natural light movement.
Body Wave: Soft, bouncy S-curl pattern with great volume.
Deep Wave: Deep, defined luxurious curls with texture retention.
Water Wave: Effortless beach-wave texture, wet-and-wavy styling.
Kinky Curly / Afro: Tight, authentic coiled textures (3C/4A/4C).

2. Hair Length & Weight Standards

Available Lengths: 8", 10", 12", 14", 16", 18", 20", 22", 24", 26", 28", 30", 32".
Standard Pack: 100g ± 3g (3.5274oz) per bundle / pack.
Tape-In Set: 40 Pieces (100g total), 2.5g per sandwich piece.
Pre-Bonded Tips: 25-100 Strands (0.8g - 1.0g per tip).

3. Base Construction & Lace Types

HD Invisible Swiss Lace: Ultra-thin, blends seamlessly into all skin complexions.
Transparent Lace: Durable, high-definition undetectable hairline.
Monofilament & Silk Base: Multi-directional parting with scalp illusion for toupees & toppers.
PU Skin Base: Thin, natural skin integration for maximum bonding grip.

4. Density & Color Standards

Hair Density: 130% (Natural), 150% (Medium), 180% (Glamour Heavy), 200% (Extra Full).
Virgin Natural Shades: #1 (Jet Black), #1B (Natural Black), #2 (Dark Brown), #4 (Medium Brown).
Blonde & Fashion Colors: #27, #30, #60 (Ash White), #613 (Platinum), Custom Ombre & Balayage.

Custom Orders & Private OEM Formulation

Have a custom salon requirement? We formulate custom base dimensions (e.g. 8x10 toupees, 5x5 toppers), custom density mapping, and private branding packaging with low starter minimums.
